WHAT TYPES OF COVER CAN YOU APPLY FOR?

There are four types of cover to apply for:

- Comprehensive Cover – this provides You with cover for loss of or damage to Your Motorcycle as the result of an Accident, the Insured Events of Malicious Acts, Storm, Flood, Fire, Theft and Transit Damage (as defined) and Third Party Liability cover. (This is the broadest cover We offer). See page 19 for details.
- Third Party, Fire, Theft and Transit Cover – this provides You with cover for loss or damage to Your Motorcycle caused only by the Insured Events of Malicious Acts, Storm, Flood, Fire, Theft and Transit Damage (as defined) and Third Party Liability cover. See page 19 for details.
- Third Party Liability Cover only – this only provides cover for Your liability to third parties and not for loss of or damage to Your Motorcycle. See page 19 for details.
- Off-Road Unregistered Bike Cover – this provides You with cover for Your Off-Road Motorcycle against loss or damage from Fire and Theft. It also provides some additional benefits (see page 20). These additional benefits are:
 - Transit Damage cover; and
 - Accidental Damage cover. You are only covered for 50% of the cost to repair loss or damage to Your Motorcycle under this benefit. If You make a claim and We agree to repair Your Motorcycle You will be required to pay 50% of the cost of repairs to Us before repairs commence. The maximum amount which will be paid under this benefit is 50% of the Market Value of Your Motorcycle.

Please note that this is a limited summary of the available covers only and not a full description. Each cover noted is subject to terms, conditions, exclusions and limitations, so read the cover sections and the Policy to properly understand the cover provided. You are not automatically insured for every Insured Event.

You need to ensure that the cover You choose is suitable for Your needs and that the level of cover provided is adequate.

Additional and Optional Cover may also apply under Comprehensive Cover and Third Party Fire, Theft & Transit Cover. See pages 21-25 for details. You will only have cover under Optional Cover that You have chosen and is shown on Your Certificate of Insurance.

Where We cover You for loss of or damage to Your Motorcycle We agree to cover Your Motorcycle up to a certain maximum amount. There are two options that may be available to You depending on Your circumstances:

- **Market Value** – this is where We agree to pay You up to the amount We determine the market would pay for Your Motorcycle immediately prior to the Incident. We consider the motorcycles make, model, age, general condition, any accessories or enhancements and kilometres travelled immediately prior to the Incident and may consider industry publications to help determine the amount. The amount does not include any warranty costs, transfer fees or allowance for dealer profit. See the definition of Market Value for full details.
- **Agreed Value** – this is where We agree to pay You up to the amount We agree with You for the Motorcycle when Your cover is taken out. See the definition of Agreed Value for full details. This settlement basis of Agreed Value is only available under Comprehensive Cover selected policy.

Your Certificate of Insurance will show whether you are covered for Agreed Value or Market Value.

The maximum amount We will pay for any Motorcycle not listed with an Agreed Value on the Certificate of Insurance will be its current Market Value.

The maximum amount provided under the Market Value or Agreed Value does not include any Additional Cover or Optional Cover benefits that are included in Your Policy. Additional Cover and Optional Cover benefits provide additional sums insured, up to the amount specified for each particular benefit.

ABOUT REPLACEMENT MOTORCYCLE BENEFIT

If You have bought a new Motorcycle and have purchased Comprehensive or Third Party Fire, Theft & Transit cover under this Policy, and it is declared to be a Total Loss within 3 years (36 months) from date of original registration for a Kawasaki manufactured and branded Motorcycle, or otherwise 2 years (24 months) from date of original registration for another Motorcycle, a Replacement Motorcycle benefit may apply.

Refer to the Additional Cover on page 23 for further details. You will receive a full refund of any premiums paid (less any taxes or duties We cannot recover).

APPLYING FOR COVER

When You apply for this insurance, You will need to answer questions that We ask You. We will use and rely on the information supplied by You to decide the terms of cover We will provide. See page 9 for information about Your duty of disclosure.

The Certificate of Insurance will contain important information relevant to Your insurance including the Period of Insurance, Your premium, details of Your Motorcycle, any Excess that will apply and whether any standard terms have been varied by way of endorsement.

Where We agree to enter into a Policy with You, Your Policy with Us is made up of:

- this document;
- Your Certificate of Insurance; and
- any other document We tell You forms part of the terms and conditions of Your cover, including any endorsement issued by Us.

Please keep these documents in a safe place together with receipts and other evidence of ownership and value of items You insure.

DETERMINING YOUR PREMIUM

When You buy Your insurance, We will tell You the premium You must pay and note it in Your Certificate of Insurance.

The factors that impact the premium costs include:

- Your Excess. The higher the applicable Excess, the lower the premium.
- The limits that apply. The higher the limits, the higher the premium.
- The make, model and value of Your Motorcycle. If Your Motorcycle is a high-performance vehicle or rare, the premium will be higher.
- The type of Accessories or Modifications to the Motorcycle. The more Accessories or Modifications fitted to the Motorcycle, the higher the premium.
- Your insurance history and any previous claims You have made under similar policies. Your premium will be lower if You have a good claims history under similar policies.

Your premium might be reduced if You are entitled to a No Claim Bonus (see page 4).

Your total cost also includes an administration fee and amounts that take into consideration Our obligation to pay any relevant compulsory government charges, taxes or levies (e.g. GST) for Your insurance. We set these out in Your Certificate of Insurance.

A minimum premium applies for this insurance irrespective of any discount that applies. The amount of premium We charge will not be less than this amount.

2. SOME THINGS YOU SHOULD DO WHEN PURCHASING INSURANCE

UNDERSTAND YOUR DUTY OF DISCLOSURE

Your duty of disclosure

Before You enter into an insurance contract, You have a duty of disclosure.

We may ask you questions that are relevant to our decision to insure You and on what terms. If We do, You must tell Us anything that you know and that a reasonable person in the circumstances would include in their answer.

You have this duty until We agree to insure You.

If you do not tell us something

If You do not tell Us anything You are required to, We may avoid the contract from its beginning.

If Your failure to tell Us is fraudulent, We may refuse to pay a claim and treat the contract as if it never existed.

UNDERSTAND THIS INSURANCE

Kawasaki Motorcycle Insurance provides cover for the covered Insured Events (as applicable) (see page 9).

It also provides some Additional Cover and Optional Cover benefits (see pages 21-25).

There are limits to the cover provided and while some of these are fixed, others may be extended by simply notifying Us of the items You own and their value.

There are also exclusions and limitations which apply to certain cover as well as General Exclusions which apply to all cover under the Policy (see pages 26-29).

Certain words have defined meanings You need to understand (see pages 31-34).

You should read this document and all other documents that make up the Policy in full to ensure You understand the cover provided as well as the limits, any Excess and exclusions that apply. See page 40 for claim payment examples.

3. THINGS YOU MUST DO AFTER PURCHASING INSURANCE

CHECK YOUR POLICY DETAILS

Check Your Policy immediately and read and check Your Certificate of Insurance carefully.

If any information is incorrect or incomplete, please make all necessary changes immediately by calling Us on 0800 455 004. We rely on You to do this.

MAINTAIN THE MOTORCYCLE

Throughout the duration of Your Policy, You must maintain Your Registered Motorcycle in a Roadworthy Condition and if Unregistered, in a safe operating condition.

The Motorcycle may no longer be in a Roadworthy Condition or in a safe operating condition immediately after an Incident. It is important that You do not Ride it after an Incident if it is no longer in a Roadworthy Condition or safe to Ride.

You must also make reasonable efforts to protect Your Motorcycle from any loss or damage. If You make a claim and knew about something that could cause loss or damage to Your Motorcycle and You did not make reasonable efforts to avoid it before the loss or damage occurred, then Your claim may not be paid. If You do suffer loss or damage to Your Motorcycle You must also make reasonable efforts to prevent any further loss or damage.

Check the following prior to giving any person permission to Ride Your Policy Motorcycle on a public road:

- Is their driver's licence invalid and/or suspended or cancelled?
- Does the Rider not meet the Special Conditions section noted on Your Certificate of Insurance?
- Does the Rider have any conditions, restrictions or terms applied to their driver's licence that may limit their ability to legally Ride the Motorcycle? Examples of these special conditions, restrictions or terms may include but are not limited to: learner's permit restrictions; certain hours of operation only (e.g. day time or night time); LAMS approved motorcycles

If yes, You must not give permission or We may reduce or refuse to pay a claim and/or cancel the Policy to the extent permitted by law.

CHANGES TO YOUR POLICY

You must immediately tell Us about any changes to the information You gave Us when You took out or last changed Your Policy, including but not limited to:

- changes to the Motorcycle,
- the address where the Motorcycle is kept,
- the use of Your Motorcycle,
- regular Riders who will Ride Your Motorcycle or the people covered by Your Policy; and
- anything else that may affect Your Policy or Our decision to accept the risk.

You must tell Us as soon as possible of any:

- Modifications that are made to Your Motorcycle;
- Accessories that are added to Your Motorcycle; and
- driving or criminal offences that have been committed by anyone who regularly Rides Your Motorcycle. You do not need to tell Us about parking offences that a regular Rider may receive.

ENSURE YOUR PREMIUMS ARE ALWAYS PAID

You are responsible for ensuring that Your premiums are paid or Your cover could be put at risk. Please call Us if You are ever unsure about Your premiums.

MEETING YOUR OTHER OBLIGATIONS

You will need to meet other conditions of the Policy, such as claims conditions, or We may reduce or refuse to pay a claim and/or cancel the Policy to the extent permitted by law.

4. INSURING YOUR MOTORCYCLE

WHAT IS YOUR MOTORCYCLE?

For the purpose of the Policy Your Motorcycle means the Motorcycle shown on Your Certificate of Insurance, including all fitted Accessories and Modifications.

WHAT IS AN EXCESS?

An Excess is an amount or amounts You must bear Yourself or pay for each claim accepted under the Policy. Any Excess applicable to Your cover will be shown on Your Certificate of Insurance.

There is a Basic Excess which applies to all claims under the Policy, The factors that We take into account in assessing Your Basic Excess are the same as those that We consider when We assess Your premium (see page 8). There is an Additional Age Excess and if it applies it must be paid in addition to the Basic Excess. There is an additional Excess that may also apply in addition to any other Excess if the Rider is not a Listed Rider on Your Policy.

Basic Excess

The Basic Excess is the standard Excess applicable to all Riders claims and is specified in the Certificate of Insurance. The factors that We take into account in assessing Your Basic Excess are the same as those We consider when We assess Your premium.

Additional Age Excess

The Additional Age Excess is based on the age of the Rider at the time of the incident giving rise to a claim.

If an Additional Age Excess applies, the amount will be shown on the Certificate of Insurance.

The Additional Age Excess must be paid in addition to the Basic Excess that applies in the event of a claim.

Listed Rider Excess

Should Your Motorcycle be Ridden by any person other than a Listed Rider an additional Excess of \$500 will be applied to each claim. However, this additional Excess will not apply:

- when loss or damage by fire occurs without impact, collision or Malicious Damage
- if the Motorcycle is stolen; or
- when loss or damage occurs while the Motorcycle is in the hands of a repairer or sales outlet for service, repairs or sales purposes.

For some claims the excess waiver or excess protection cover benefits in the Additional Covers (pages 21 - 25) may apply.

GOODS AND SERVICES TAX (GST)

If You are registered, or required to be registered, for Goods and Services Tax ("GST") purposes You must provide Us in writing with Your GST number when requested.

Any claim payments made under this insurance will be based on GST inclusive costs, up to the relevant Sum Insured, Market Value or Agreed Value or maximum amount that We pay.

If You are or would be entitled to claim any input tax credit for the repair or replacement of the insured property or for other things covered, We will reduce any claim under the Policy by the amount of such input tax credit. You must advise Us of Your correct input tax credit percentage where You are registered for GST. You are liable to Us for any GST liability We incur arising from Your incorrect advice or inaction.

OTHER PARTY'S INTEREST

We only cover Your interest in the insured property, unless We specifically include cover for the interest of another party.

You must tell Us of the interests of all parties (e.g. credit providers or other owners) who You want their interests to be covered by the Policy. We will cover their interests only if You have told Us about them and We have noted them as an Interested Party on Your Certificate of Insurance.

IF YOU HAVE BORROWED MONEY TO BUY YOUR MOTORCYCLE

If an Interested Party is noted on Your Certificate of Insurance as having an interest in Your Motorcycle and You have a claim and We agree to settle on a cash basis, We have the option of making this payment to the Interested Party in full or part settlement of Your claim.

In this situation We will pay the Interested Party the amount We agree to settle the claim, up to the amount outstanding under Your loan account or finance contract, whose receipt will discharge Us completely in relation to the loss or damage.

If Your Motorcycle is a Total Loss and You have a remaining balance on Your Loan, a Loan Balance Assistance benefit, of up to \$2,500 for Comprehensive Cover and up to \$1,500 for Off-Road Unregistered Bike Cover, may also be available.

REINSTATEMENT OF SUM INSURED FOR CERTAIN CLAIMS

When We pay a claim for Your Motorcycle that is not a Total Loss, or repair an item, the relevant Sum Insured for Your Motorcycle or item will be automatically reinstated to the same amount shown in the Certificate of Insurance unless We tell You otherwise in writing.

IF YOUR MOTORCYCLE IS A TOTAL LOSS

If We pay You a Total Loss Payout under the Policy, Your Motorcycle (or what's left of it) including any Accessory or Modification will become Our property and We will keep the proceeds of any salvage sold.

If We agree to pay Your claim for a Total Loss, We'll pay You the Market Value, unless an Agreed Value is noted on Your Certificate of Insurance, minus any Excess that may apply. There are also Additional Cover benefits that may apply.

If We pay You a Total Loss Payout, the Policy will cease and no refund of premium will be available.

This is because all of Our obligations under this Policy will have been met.

5. MAKING A CLAIM

WHAT HAPPENS IF YOU NEED TO MAKE A CLAIM?

Provide proof of ownership

In the event of a claim, You must provide adequate proof of value, proof of purchase, and/or ownership of any insured property for which You claim.

Notify Us of all Incidents within thirty (30) calendar days

You must notify Us of any Incidents involving the insured property within thirty (30) calendar days of becoming aware of the Incident/s. The details that must be provided include: the location, date and time of the Incident; the particulars (name, address, phone number, licence number, insurance company) of any Third Party that was involved in the Incident; and a description of the circumstances surrounding the Incident. This requirement applies whether You intend to claim or not. Failure to do so may prejudice You in lodging a claim or may prejudice Us in defending a claim against You from a Third Party.

If an event occurs that is likely to result in a claim, the following checklist will help You ensure that You have done everything You need to do, so that Your claim can be assessed quickly. Not all items may be applicable to Your claim.

First You should:

- report the event to the police or other authority;
- notify the police if the event involves theft, attempted theft, malicious damage or impact;
- do what You can to prevent any further loss, damage, cost or liability;
- call Us on 0800 455 004 or
- email: claims@kawasakiinsurance.co.nz

You must never, without Our consent:

- admit guilt, fault or liability (except where required by law);
- offer or negotiate to pay a claim;
- approve any repairs or arrange replacements (other than emergency repairs necessary to minimise or prevent further loss or damage);
- dispose of any damaged property.

We will also require You to:

- provide Us with the proof that We require regarding lost or damaged items;
- help Us manage the claim, which may include Us inspecting Your Motorcycle or asking You questions, or You providing written statements to Us under oath;
- keep items that have been damaged and allow Us to inspect them or assess repair costs;
- allow Us to take possession of damaged property that is the subject of a claim;
- send Us any communication You receive relating to the claim (including telling Us of pending court proceedings or offers of settlement within 24 hours);
- help Us as We work to negotiate, defend or settle any claim made under the Policy and to exercise for Our benefit Your legal right of recovery against any other party;
- tell Us about any other insurance that may be relevant to the claim.

COSTS OF DISMANTLING, DIAGNOSIS AND REASSEMBLY

If You make a claim for loss or damage to Your Motorcycle, We may require You to dismantle it or authorise Us to dismantle it, so We can assess Your claim and/or decide if it is valid. We may refuse to assess or pay Your claim if You do not agree to this.

If We determine that the claimed loss or damage is not covered, You will be responsible for the costs of the above dismantling as well as any costs associated with it (including but not limited to any diagnosis, reassembly, repair, and/or replacement costs).

If We determine that the claimed loss or damage is covered, We will settle Your claim in accordance with the terms and conditions of the Policy (including the operation of any Excess).

However, We will never pay more than the relevant limit specified in this document or on Your Certificate of Insurance.

If We pay You the reasonable cost of repairing or replacing Your insured properties Our payment will be based on the cost required to repair or replace it as near as possible to its appearance and condition immediately prior to the claimed loss or damage (refer to page 40 for Claim Payment Examples).

HOW DO WE SETTLE A COVERED CLAIM?

If Your Motorcycle or another item is covered under the Policy We will at Our discretion:

- repair or replace Your Motorcycle or relevant item;
- pay You the reasonable cost of repairing or replacing Your Motorcycle or relevant item; or
- pay You up to the Agreed Value or Market Value (whichever is specified as applicable) of Your Motorcycle.

However, We will never pay more than the relevant Sum Insured and/or applicable limit specified in this document or on Your Certificate of Insurance less any applicable Excess.

You must pay Your Excess to Us, or to any repairer We engage to repair Your Motorcycle. If We pay You the Agreed or Market Value We will deduct Your Excess from the amount We pay.

If We accept Your claim and Your Motorcycle is less than 5 years old from date of first registration We will pay for repairs and replace damaged parts on a new for old basis up to the Agreed Value or Market Value, whichever is applicable. Where possible We will use the manufacturer genuine parts.

If We pay You the reasonable cost of repairing or replacing the damage to Your Motorcycle, this payment will be based on the cost to repair or replace as near as possible to its appearance and condition immediately prior to the claimed loss or damage.

REPAIRING YOUR MOTORCYCLE

In the event of a claim We may ask You to get one quotation from a Motorcycle repairer whom We may nominate. We may also decide which repairer is to repair Your Motorcycle.

If We choose and instruct a repairer to repair any of Your insured property, We will guarantee the quality of workmanship and materials on authorised repairs, including any sub-let repairs, for the life of Your Motorcycle at no extra cost to You, while the Motorcycle is under Your ownership. For example, Our workmanship guarantee would apply to respraying a replaced panel.

If the repairs to Your Motorcycle will put it in a better condition than what it was prior to the damage, You may be required to pay part of the cost of repairs to Us before repairs commence.

Parts used in repairing Your Motorcycle by an authorised repairer may be manufactured by persons other than the Motorcycle manufacturer and will be compatible with the age and condition of Your Motorcycle.

CLAIM RECOVERY

We reserve the right to take action to recover any money paid by Us as a result of a claim. When We do this, We may need to take such action in Your name.

You must cooperate with Us and give Us any information We may require. We will pay for any legal costs.

AGREEMENTS AFFECTING RIGHTS OF SUBROGATION

We will not pay a claim if, without prior agreement from Us, You make any agreement that will prevent Us from recovering the loss from a third party.

WHEN WE MAY REFUSE A CLAIM

We may refuse or reduce the amount We pay in relation to a claim (to the extent permitted by law) if amongst other things:

When making a claim, You:

- are not truthful;
- have not given Us, or refuse to give full and complete details; or
- have not told Us something You should have.

You do not at all times take reasonable care to:

- prevent Theft of the Motorcycle;
- protect Your Motorcycle against any initial or further loss or damage;
- keep Your Motorcycle in good order.

You do not give Us the documentation and information We may need to help Us decide on any amount that We may pay You.

You do any of the following without Our knowledge and consent:

- make or accept any offer or payment, or in any other way admit You are liable;
- settle or attempt to settle any claim;
- defend any claim.

12. CLAIM PAYMENT EXAMPLES

The following examples are designed to illustrate how a claim payment is calculated. These are only examples. We determine claim payments on an individual basis, based on the terms and conditions of the Policy. The examples do not cover all claims scenarios or all benefits. The example assumes that the policy holder is not registered for GST. You should read this Policy and Your Certificate of Insurance for full details of what We cover as well as what policy limits and exclusions apply.
